## Kitchen

Guests may use the dishes and all kitchen equipment. Before the tenants depart, everything must be thoroughly cleaned and returned to its place. The dishes/cutlery are counted before and after visits; missing dishes/cutlery will be noted on the report and will then be charged for on the final bill (according to price list).

## Dining room

It is strictly forbidden to use house tables and chairs outside. The furniture should be treated with care.

## Cleaning materials

Cleaning materials and equipment can be found on every floor. We request that you return them to their place after use.

## Toilets

The sanitary napkins may not be thrown into the toilets – they belong in the waste container. **The toilets must be cleaned thoroughly daily.**

## Waste

The tenant is obliged to empty all bins and to deposit the rubbish bags in the waste container (in front of the house) prior to departure. Please observe the recycling separation rules.

## It is forbidden

- to smoke in the youth centre.
- to climb in or out of the windows or to use the fire ladders (except in an emergency).
- to enter the house with heavy shoes.

## Fire alarm

The youth centre has a fire detection system. The camp chaperone must make all participants aware that this facility is not to be abused and must familiarise themselves with the instructions on the first floor notice board. Should the fire brigade be called out due to a false alarm caused at the camp, the tenant is liable for the costs incurred by the fire brigade.

## Games

There are two table tennis tables available for free use (1 net, 2 bats and balls). A table football table is also available and can be used for a flat fee of CHF 20.00. The tables must be used with care. **If possible, please bring your own bats and balls.**

### **Piano**

The piano is available to all tenants and should be treated with care. It must be closed after each use.

### **TV, VCR, projector and screen**

can be used for a fee (according to the price list). Tenants are requested to use the equipment carefully.

### **Departure**

The house is to be handed over clean-swept to the caretaker. For hygiene reasons, post-cleaning is carried out by the caretaker. All keys and material received must be handed in.

### **Car park**

Six spaces are available to guests in front of the house. The parking spaces behind the house are reserved for the tenants of the adjoining Chalet Bethel. If the chalet is not occupied, these may also be used. If in doubt, please ask the caretaker.

### **Playground**

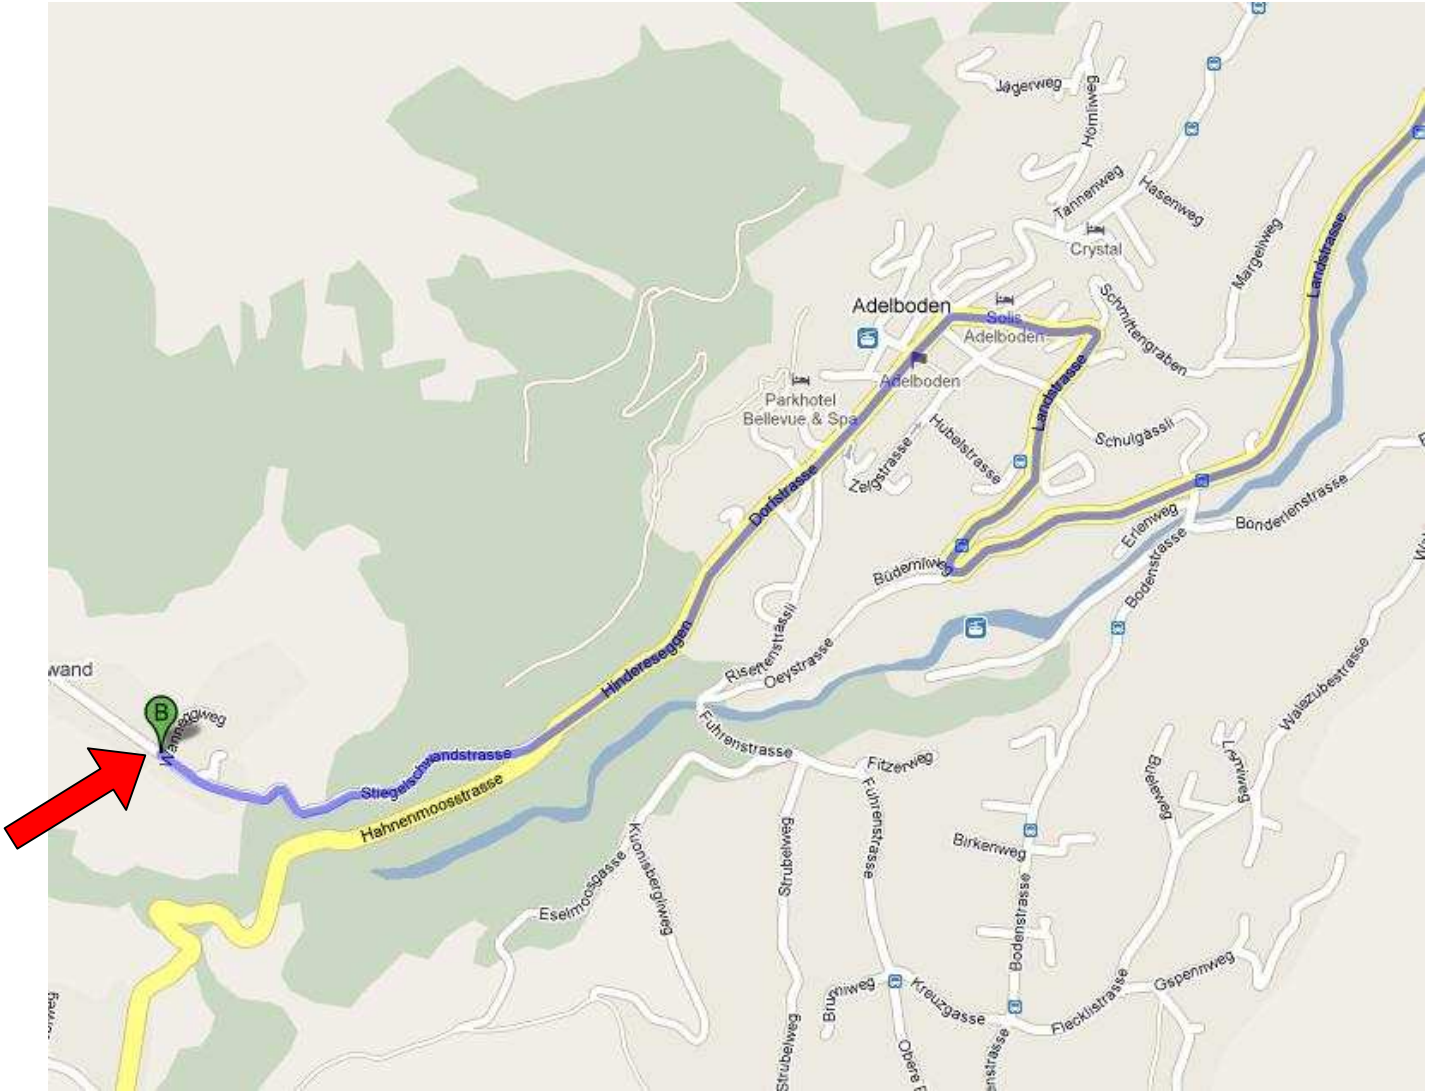

The (all-weather surface) playground is available to tenants of the youth centre. Consideration should be shown to the residents of Bethel Chalet and the neighbours. **It should not be used before 9.00 a.m., from 12.00 p.m. to 1.30 p.m. or after 9.00 p.m. On Sundays and public holidays the playground may only be used from 1.30 p.m. to 6.00 p.m.**

Please note that during lunch time there should be silence on the playground. Creating an ice rink is strictly prohibited! The camp chaperone is responsible for ensuring that sports equipment is returned in perfect condition. The nets (tennis, volleyball, basketball, etc.) are to be used with particular care. We recommend that the camp chaperone check the sports equipment carefully upon receipt and notify the caretaker of any damage. If the caretaker ascertains any damage at the end of the camp, this will be included on the final bill.

### **Assistance from the caretaker**

If the camp chaperone requires the assistance of the caretaker for various activities (transportation, trips, etc.), he is obliged to pay compensation of CHF 21.50 per hour and CHF 1.00 per km travelled.
